FRESHMAN FOOTBALL

The Freshman Football team had one of the most successful teams in the school history. They were undefeated, and allowed only one touchdown to be scored against them all season, plus they averaged 30 points a game.

The offense was led by outstanding tailback Wayman Payne, super quarterback Richard Carrillo, and the hands of Vince Drew.

The defense is what led the freshman all year. Several teams did not even get a first down against them. The defense was led by hard hitting linebacker Nolan Brown, huge tough tackle, Jimmy White, fast as a speeding bullet noseguard, Richard Castaneda, and tough and consistant, defense end Kenny Tellez.

The team was coached by Mr. Hornbeck.

The baseball team this year is better than last year's team. This team has worked harder in the off season. They're much stronger because of the weight training program. They have more dedication and pride than last year's team. The outstanding players this year are Manuel Ramirez who is also co-captain and has played baseball for Carl Hayden for 3 years, the other is Efrem Hernandez. Two others that are super in practice are Chuck Henninger also co-captain, and Joe Rippey the other player. The team has a lot of togetherness and hustle that will make them be a winner.

MARTIAL ARTS

Irene Barron

The Martial Arts Club has been an active club on campus for the past eleven years. Students are trained in kicks, punches, blocks, and martial arts techniques in various styles. Karate etiquette is the rule as class begins and ends with the salutation or preparatory bow. The class includes mental and physical exertion of every type. Karate is a skill that demands grace and concentration. The Chinese Shalen monks were originally fat and lazy and fell asleep during class. The head monk tired of this, worked up a system of exercises to get them back into shape: this practice evolved into Karate.

AS THE END DRAWS NEAR THESE PAGES REMIND US OF OUR MEMORIES OF THE PAST YEAR

As the year comes to an end, the 1977-1978 Statesman Staff looks back at all the good and rough times that we all had through out the year. Especially putting the yearbook together which we all know wasn't an easy job, like not having our pictures on time or information for a page, or drawing up a layout sheet and cropping the pictures, and thinking that it wasn't going to come out right. But now that it is done we can see our work and be proud of it.

I want to give special thanks to the staff for cooperating with each other; Diane Ramirez for always being there when she was needed, Sabina Reclosado for keeping the class laughing, Becky Contreras and Linda Monet for doing everything they were told, Maggie Araujo for not arguing when she had too much work, Raul Rodriguez our photographer for getting us all the shots we needed, and our first semester staff Mary Lopez, Becky Deskins and Mary Fowler who also helped us in

the book. I also would like to thank our Advisor, Larry Diamond and our Taylor Publishing Representative, John Stevens. Also thanks to our student body and faculty for their cooperation.

The Yearbook Staff would like to congratulate our Carl Hayden Graduates who have seen our school improve and grow many times, especially our Auditorium. We hope that you will all succeed in life and reach your highest goals. We hope that we have captured all the memories that you need to remember your last year at Carl Hayden. We hope that you will come back and visit us next year.

Sincerely,

Susie Sarceda

To Ricky Bowman,

School out and one of my best friends is going
to a different school and when we see one another
again make it the best day in our life.

We have had our good times and bad times but
let our good times rule over our bad and
make every day a good day.

Keep ~~as~~ tough and I would like to be
~~as~~ your friend for life

Thank for the memories,
James Higgins
